## Raising Money. Raising Awareness.

Be on the lookout for bake sales, craft sales, donation jars and more. Michigan Community Credit Union staff and members are raising money for Relay for Life, which benefits the American Cancer Society. The Credit Union staff also pay to wear jeans and T-Shirts on Wednesdays. We are proud to show our support and dedication in the fight against cancer.

Days will happen once a month, and will occur at alternating branches. During these Prize Patrol Days, 80 scratch-off tickets will be given out to members; 71 will win a limited edition 80th anniversary mug, eight will win a \$50 VISA Gift Card, and one lucky member will win \$500. Keller won her prize at the Hillsdale Branch by stopping in on Prize Patrol Day. "I was incredibly shocked that I won," said Keller. "I made a trip to the Credit Union because I had taken the day off from work to prepare for my birthday celebration. It was a great day to win!"

## A Win-Win Situation

Save to Win is a 12 month Certificate of Deposit that incents continual deposits with cash prize drawing entries. For every \$25 deposited into a Save to Win account, one entry is earned into the monthly and quarterly prize drawings. The prizes range from \$25 to \$5,000 to the winners. Save to Win was designed to appeal to credit union members who are not in the habit of saving by giving them a fun, engaging tool through which they can develop a better financial future. This quarterly winner, Jason C., won \$500 from his participation in the Save to Win program. Jason has only been a member of the Credit Union for a few months, and his first deposit of \$25 awarded him with a \$500 prize. Jason expressed his excitement for his winnings, and reported that he is going to set up direct deposit right into his Save to Win account. Visit [savetowin.org](http://savetowin.org) for more information, or stop in today to open your Save to Win account!
